REMINDERS:

- There are videos of me teaching BOTH Lesson 10.4 and 10.5 on my website. *You need to sign into YouTube using your school email to view the videos*
- There are keys to all the notes from Chapter 10 on my website.
- There are keys to the Lesson 10.4 and Lesson 10.5 Worksheets on my website. Use these to check your answers. It will NOT help you on the test to copy down all the work on the homework and not truly understand what you are doing...
- Start writing down questions that you want to ask me and I will answer everything when I return on Monday.
- If you truly get bored and understand EVERYTHING in Chapter 10, start working on the semester exam review.
- Check if you have any missing assignments or "AB" marks in Infinite Campus. I have all the grades up to date-TURN ANYTHING IN THAT YOU DON'T HAVE CREDIT FOR!
- Please be responsible - hold yourself accountable while I am gone. I will NOT teach you the entire chapter Monday after school/Tuesday during your study hall 😊.
