REMINDERS:

- You will NOT be taking the Chapter 10 test like the rest of the class will be. I will be using your quiz score as your Chapter 10 test score.
- You still need to learn Lessons 10.4 and 10.5 – this material will be on the final exam!
- There are videos of me teaching BOTH Lesson 10.4 and 10.5 on my website. *You need to sign into YouTube using your school email to view the videos*
- There are keys to all the notes from Chapter 10 on my website.
- There are keys to the Lesson 10.4 and Lesson 10.5 Worksheets on my website. Use these to check your answers. It will NOT help you on the final exam to copy down all the work on the homework and not truly understand what you are doing...
- Start writing down questions that you want to ask me and I will answer everything when I return next week.
- Check if you have any missing assignments or “AB” marks in Infinite Campus. I have all the grades up to date-TURN ANYTHING IN THAT YOU DON'T HAVE CREDIT FOR!
- All the other students (besides seniors) will be preparing for the Chapter 10 test while I am gone. You will be preparing for the final exam while I am gone.
- Please be responsible - hold yourself accountable while I am gone. I will NOT teach you the entire material we covered second semester in 3 days 😊.
